RE: Jensen Builders Ltd.

To whom it may concern,

Rowley Masonic Community contracted with Jensen Builders LTD to construct our 72,000 square foot Skilled nursing facility and Assisted Living facility. We opened in February of 2014.

Jensen Builders are very professional partners in your project and listen to your needs. They take great pride in their work and it shows in their buildings.

We held progress meeting frequently as needed and they kept management and owners informed of all their work. They were on time and met their schedules throughout the entire process. They are very budget conscious and will not surprise you with add on costs.

I have personally worked with this company for the past 17 years in various projects and would recommend Jensen Builders LTD for any project you have in mind.

If you have any questions, please feel free to give me a call.

Sincerely,

LuCinda L. Friess, R.N.
